## 99 Names of Allah – Spoken Words

Anyone can count the seeds in an apple  
But only One can count all the apples in a seed  
Before the creation of the Heavens and the Universe  
There was only One, Allah, Rubbil Alameen .....  
..... Al Hayy is alive and Al Qayyum will never die  
Al-Ala beyond the skies, and Al Hakim the most Wise, No lies  
But why would they try to prescribe As Samad a son  
When my Lord has 99 names and Jesus ain't one .....  
.....And this is just a reminder for those who love to be reminded  
Of the most beautiful names and attributes that you will ever see  
Like the Mercy of ArRahman and the Compassion of ArRaheem

## ISLAM – The Only Religion With Allah

In the sacred verses of the Qur'an, a truth profound,  
A guiding light for hearts, a wisdom unbound,  
A verse that echoes through the sands of time,  
Embracing souls with words so sublime.

"And anyone who comes to Allah with another creed,  
Apart from Islam, it will never succeed,  
In the Hereafter, they'll find no grace,  
But wander lost in darkness, a distant place."

Islam, a path of love and peace,  
Where unity and mercy never cease,  
A faith that opens hearts and minds,  
To seek the truth that forever binds.

In prayer, we find tranquility's embrace,  
And in submission, humility takes its place,  
Through fasting, we learn to empathize,  
With those who hunger, tears in their eyes.

In Islam's light, let's find our way,  
To love and kindness, every day,  
For in the end, what truly counts,  
Is how we've loved and who we've helped surmount.

By Alhaja Salamot Ibraheem

**ISLAM** MEANS  
**PEACE**
